

MESA HOST ROARS
JUNE 2013 NEWSLETTER
SERVING THE MESA COMMUNITY 1928

THE JUNE LETTER SUBMITTED BY OUR PRESIDENT:

Mesa Host Lions,

Another busy month has passed for the Club. The end of our calendar year is upon us and the next issue will feature your new President, Lion David T. Webster keeping you updated on club activities.

This past month we were busy playing in a Camp Tatiyee Golf Tournament at the Phoenix Biltmore-our team was 2 over 73: Not last place anyway.

May 7th in lieu of our usual meeting seven club members and 2 visitors had lunch with Mesa Host Life member and 72 year Lion, Julius 'J.L.' Ward on his 97th Birthday. We took Birthday cupcakes and Linda Hartmann played the piano to the enjoyment of all. He is still talking about it.

DG Carolyn White, Barbara and I attended, on May 11th, the Payson Lions Club 50th Charter Birthday party. It is amazing how many Charter birthdays occurred so far this year 2013!

May 17-19th was the MD 21 Convention at the Mesa Hilton. Eight members attended. It was instructional, fun and rewarding. Especially rewarding to the Club as we received the District Governor's contest 1st Place ribbon and Lion Keith Hackney and Associate member Bill Schafer received LCI President Maddens 'Certificate of Appreciation' and both the special 'Service recognition' ribbon awards. A huge acknowledgment of their commitment to the principals of Lionism and they both were speechless.

A summer project will be to collect bottled water for delivery to hydration stations to aid the homeless. Watch for store sales and bring to meetings or call me and I will pick up for delivery to designated locations. We already have 18 cases of 24 count bottles ready for delivery this week.

I want to personally thank secretary Nita and treasurer Barbara for keeping track of and turning in the reports to LCI and District 21 necessary to obtain the above awards. Thank you also to Club members for making our Club successful. 85th years is only a start on our quest TO SERVE, so let us do what we do best for another 85.

Keep Lions J.L. Ward, Don Hartmann, Don Thresher, Guy Myer and Jim Johnson and oh heck: make it all our members on your prayer chain.

Prez Bill

Re: LFA Update

Last fall PDG Ann Roberts (LFA Board President), PID Dave Roberts and LFA Executive Director George Hill visited the HUD offices regarding funds being impounded in our mortgage payments. This particular impound account was growing and it seemed that its purpose was questionable! Over the next 6 months negotiations with HUD continued and we were able to convince HUD that the impound account was not applicable. We recently received a check for some \$67,000.00 dollars. Those funds will go back into the upkeep of the property at 32nd St. & Roosevelt.

We should be extremely proud of being the Management Agent for the 36-unit elderly HUD property in Tucson-La Casa de Los Leones. Because of our efforts, 36 low income and/or wheelchair bound seniors have a decent lifestyle 365 days a year. However, many people who have looked at our financials may not have realized how La Casa had impacted LFA for many years. Due to timing, some months La Casa would run in the RED. HUD had required us to impound approximately \$2,700.00 monthly to cover this contingency. HUD had failed to recognize that other months there was an average in the La Casa Account. This impounding has been cleared up and eliminated for La Casa, and as always had the backing of LFA.

We are in the end stage of the Land Exchange! LFA still needs the support of the Lions Clubs to finish paying for our share of the Environmental Impact Study, some \$50,000.00.

The Forest Service has provided us with Forest Service Personnel to take us to the end of the land exchange. Earlier there were fourteen cases ahead of us. Now we are in the top two cases to be completed.

Lions of Multiple District 21, we are closing in on our prize! Your donations are critical to the success of this long-running land campaign! Please put us in your club budgets and consider personal donations to help us make it to the finish line!

MELVIN JONES LIONS INTERNATIONAL MEMORIAL

FT. THOMAS, AZ

Report to MD 21 Council of Governors

May 17, 2013

Mesa, AZ. USA

2012-2013 Goals & Objectives of MJLIM

A Project of MD 21

Our Board provided escort to PID Lion Douglas Alexander as keynote speaker for our "Rededication to Lionism" at the Memorial in Ft. Thomas on January 12th 2013. Some of you were there also. Board members also provided escort to ID Bob Corlew and Lion Dianne to the Memorial and on to 21-A Convention in Parker, AZ. and to ID Lion Brian Sheehan with Lion Lori to the Memorial and to 21-C Convention in Payson, AZ.

These ID's each purchased a \$1000 Vanguard to help purchase land adjacent to the Memorial for future Development of this area. We have not begun to approach our goal of selling 1000 Vanguard's.

The goal and objectives is to spread the word about Arizona's "Best Kept Secret", where Melvin Jones Lions International Memorial is located to Lion's around the world and to encourage Lions to donate funds for the upkeep of the Memorial/Museum and to the "Vanguard" program. The Board now has a Voting Advisory Director in the Philippines as a first step to reach the Far East. That position could open up an area for the Memorial to receive funds not currently being received in the States. Further, should we be able to get LCI BOD to visit the

Memorial when the International Board meets in Phoenix in 2014 that would be a "Giant Step" in spreading the word about our best kept secret at Ft. Thomas.

We are making repairs to the Memorial/Museum as funds come in. A repair remaining is to remodel the museum rest room area so that it is ADA compliant. We have repainted the building exterior, added concrete ramp and railing to the spire area and completely redone the concrete porch with ADA ramps to the entrance.

Other repairs, fence, spire, etc., are ongoing when funds become available.

The Board of Directors thanks Lions for their donations and hope that they are happy with what they see at the Memorial/Museum. See you at Ft. Thomas for rededication on January 11, 2014.

Respectfully submitted,

PDG Lion Forrest B. Chevront Jr.
President, MJLIM Board of Directors

To: Council Chairman Carl Johannesen
From: PDG Tom Simmons, 2012-13 President
Lions Sight & Hearing Foundation of MD21

May 16, 2013

The Lions Sight and Hearing Foundation is nearing the end of a quite successful and fulfilling year. This does not mean we have not faced challenges in striving to meet our mission of serving Arizonans living in poverty who need eye surgeries and hearing aids that will greatly enrich their lives

Among our disappointments are health issues of two long-time members that regrettably caused them to resign from the board. PDG Ed Middlesworth - who served as president, Sight Chairman and a variety of other key positions during his numerous years of service on the board - remains active with the Mesa Thunderbird Lions Club in District 21C, as well as serving as an advisor to Sight & Hearing. Lion Jackie Acorn, also a former foundation president and served with the Tucson Rincon Lions Club in District 21B was badly injured in an automobile accident on her way home from a Sight & Hearing meeting months ago. She has not been able

to return as she continues her recuperation. Both of these Lions served our foundation unselfishly and with dedication and are missed.

Overall donations from Lions Clubs have decreased, which caused us to place a moratorium on eye surgeries for the first half of our fiscal year. We also had to replace the roof of our building, which caused a large, unexpected expense.

On the bright side, we received a large donation from the Peoria Sunset Lions Club, whose members hosted their “first annual” golf tournament to raise funds to support our sight program.

We continue a very successful partnership with Zounds Hearing, which provides us the opportunity to economically provide hearing aids to the needy.

We are in the process of building an ongoing relationship with ALERT (Arizona Lions Eyeglass Recycling Terminal Inc.) to provide recycled glasses for missions to Mexico, the Philippines and other countries. We also have assisted the Lions Vision Center by providing thousands of pairs of glasses to be distributed to missions which they have supported in the Philippines and Mexico.

Also, during the first year the Mel Clack Fund provision, up to \$50,000 is available for eyeglasses and surgeries to residents of Yavapai County. This program will continue well into the future.

We have - during the second half of our fiscal year – provided surgeries to treat cataracts, detached retinas, malignant glaucoma and retinal neuropathy. Also we were able to provide a prosthetic eye to a young patient the foundation helped several years’ ago.

Finally, we also were able to serve our many hearing impaired clients over the past year. We supplied well over 100 hearing aids to our clients who now can hear the voices of family members and loved ones.

We could not have achieved all of this without the support of Lions, generous donors and volunteers. We feel a tremendous amount of appreciation to everyone who has donated their money, time and expertise to make this a successful year! Our office staff - Luz Rubio and Lion Joan Williamson – performs their duties with competence and enthusiasm. We also have several board members and volunteers come in to sort eyeglasses and hearing aids to recycle.

A special thanks goes to the Lions Sight and Hearing Board of Directors for its hard work throughout this past year. As we enter our new fiscal year, we will be welcoming new members as they take on their duties on the board. But we will also sustain the knowledge and direction of our long-time board members. This is a very exciting time for LS&HF and we thank you again for your support.

Revisions to MD21 Constitution and bylaws - regarding reallocation of funds from Canyon State Lion to other budget areas - presented by Alan Lundgren and Les Daviet

- Recommending changes in 3 sections - publications, promotions, and activities fund
- Recommending reduction in publication fund as result of Canyon State Lion going electronic and transfer of those funds to promotion and activity as follows:
 - Recommend reduction of publication fund from \$8.90 per member per year to \$7.75 per member per year, reducing Canyon State from \$7.15 to \$6.00 per member per year
- **International Convention Hamburg** - PID Dave Roberts
- 40 people going at this date
 - and increases directory from \$1.25 to \$1.35 and modifies Other Publications from 25 cents to 40 cents, adding website into that category
 - Recommend increase in Promotions fund from \$2.95 per member per year to \$3.00 and establishing limits on outgoing governors expenditures to international convention to max of \$1000 per governor and increasing allocation for Convention Chair to \$3,000.
 - Recommend removal of allocation of \$125.00 per dg and dg elect for mis expenses for international convention

- Recommend increase in activity fund from 25 cents to \$1.35 per member for glt/gmt mid year leadership and training without having to move monies each year from growth fund
- Recommend setting limits on reimbursements to IPDGs and VDGs attending council meetings to flat \$75 per meeting attended
- Recommend moving IT expenses from General Administration to publications IT
- Not recommending any change in dues per member per year
- Constitution and Bylaws has reviewed and finds no conflict with Constitution and By Laws
- Proposal will be published in March, April and May Canyon State Lion and presented for decision at May convention
- Proposal has been unanimously endorsed by Finance Committee and CBL

Discussion:

- Dave Roberts -- when will it go into effect? Lundgren - July 1/ will not affect payment for Hamburg
- Gary White - predicated upon declining membership - should we not also consider a dues increase? Lundgren -- looked at purpose of where money should be going - we are one of few multiples that provides the funding we allocate for governors; trying to move money to help all Lions membership - solution is more members not to raise the dues
- Marc Paquette - would like to see dues at multiple and district increased; if growth fund is supposed to be used for promotion of district we should be using it for that
- Sally Hanson - \$300 from districts toward officer training -- where is that listed? - Lundgren responded it was a payment from district to training venue - a district expense, not part of MD budget
- Bob Jones - favors dues increase
- Bob Bowman - favors dues increase
- Richard O. Brown - Favors dues increase; Can savings be replicated with directory?
- Brian Woloshin - can guarantee a private website
- Robin Daviet - concerned about website privacy
- CC Carl - \$3,000 for international convention chairs is excessive - put the money to IT

Motion to reallocate as proposed made by Carolyn White/seconded by Gary White - motion approved with CC abstaining.
