Mesa Host Lions, Great News to report! We have two new members to Mesa Host. Inducted on September 20th, Lion Vickie Brown. Lion Gina El-Farra transferred in from Mesa East. Welcome fellow Lions. We had special visitors for Lion Vickie's induction. 1VDG Roger D. Cash, MD25-B and Lion Gaye Marotti from the Ossian Lions Club, Ossian, Indiana were in attendance. Our community service day at 'Feed My Starving Children' was enlightening and an energetic group. Lions Pat Miktus, Sandy Nolen, friends Nancy Hackett, JoAnn O'Malley, Lion Barb and myself were volunteers on the 13th. 'Feed My Starving Children' partner with community-builders. They give their food to hundreds of missions and human service agencies around the world— Organizations that know how to get things done in challenging conditions. Working in their own cultures, the partners use the meals to operate schools, orphanages, hospitals, ministries, and feeding programs— development work that not only feeds people for today, but transforms the very futures of the children, families, communities, and nations they serve. The day we volunteered a total of 120 boxes were filled for transport to Nicaragua and El Salvador. We will be volunteering again. Our upcoming community service day is October 11th at Helen's Hope Chest. Let Lion Barbara know if you are available that day from 9-12. October will be a very busy month with White Cane on the 8th, Work Day at the Melvin Jones Lions International Memorial at Fort Thomas on the 15th, Service Work Day on the 22nd partnering with Mesa Thunderbirds and the Mid-Year Lions Conference October 28-30th at the Four Points Sheraton, Phoenix. The October 4th meeting will feature guest speaker Tim Lidster from 'Save the Family'. Prez Bill
