

LETTER FROM THE PRESIDENT
December 2016

Fellow Lions,

In November, our Community Service Project was to Get out and Vote.

Glasses, hearing aids and cell phones were collected and delivered to Sight and Hearing. Water and food collected taken to Paz de Cristo and the newly refurbished St. Vincent De Paul Street kitchen. Items were also collected and delivered to Treasurers 4 Teachers. Remember to keep track of any time you spend on community services and report to Lion Barbara each month. We report to LCI all Lions community service hours. These reports keep the secretary busy but pay off as the Club was presented the District 21-C Certificate of Appreciation 1st quarter Club excellence award from DG Rosemarie Gabriel. So keep those hours coming in.

Unfortunately, Lion Gary was unable to come to Arizona for the ASU football game. His Aunt had a fall and he felt he should not leave her. Because all the ASU arrangements were already made yours truly was Lion Gary's stand in and Keith Hackney and I attended in his stead.

An e-mail went out to all our members regarding their vote for adding an additional meeting Tuesday. Too often items arise that require club meeting. The proposal is that we continue to meet on the 1st and 3rd Tuesday but add the 4th Tuesday for meeting also. We will continue to use the 2nd Tuesday as our Community Service Workday and the second Saturday as our White Cane Day. Also proposed is the Cub going dark in the summer months of July & August resuming in September. If you have not responded with your vote, please do so ASAP.

December will be a very busy month with Vision Screening at the Veterans Memorial Coliseum during the Arizona Mission of Mercy event on the 9th, White Cane on the 10th, Bell Ringing on the 13th and Christmas families shopping with members.

Please keep Lions Mike and Dave on your health & welfare prayer list.

Lion Barbara and I wish you a Merry Christmas and Happy Healthy New Year. See you at the meeting and the rededication to Lionism at the Melvin Jones Memorial in Fort Thomas on January 14th.

Prez Bill
