Driven 5,717 miles for Lion duties. Logged 1,245 hours. Time includes deliveries of food, water, glasses, equipment, aid transportation, service, attending educational training, conventions, conferences, visitations to other clubs and my duties as a board member on the Melvin Jones Lions International Board of Directors.

Processed 14,220 donated glasses. Hydration campaign resulted in 6,360 bottles of water delivered. Our Club reported Lions hours of 2,505 which aided directly or indirectly 86,468 people. Your efforts towards service, earned Mesa Host a 'Club Excellence' trophy presented by DG Rosemarie Gabriel at the recent 21C award presentation breakfast during the MD 21 Convention in Phoenix. I know your contributions for our upcoming Lions year will be met with your hearts efforts to serve mankind.

Remember we will have no meetings in July and August. Be ready to hit the ground running in September. Watch your e-mails summer newsletter. July and August will be combined.
