Delivered donated magnified table lamp to LFA. Delivered cassette recorder to Mesa Library. 61 pounds of scrap metal to Disposal Company.

Donated to the Visiting Nurse Book sale 378 music CD's and 97 talking cassette books and 66 cassette radio shows. Last yet not least 1359 pair of glasses, 777 frames, 208 cases, 20 hearing aids and 61 pounds of scrap plastic lenses to Sight and Hearing.

My brother John and wife Marie from Florida visited Lion Barb and I for a week. While here they purchased and helped deliver 8 additional cases of water to the homeless and attended our meeting on the 24th. We presented them with our Lions tote bag, Charter celebration pen and asked them to visit again soon. John congratulated the Club on our Service activities.

Please keep Lions Jim, Jack, Dave, Beverly and Shirley on your prayer list. Let me know if you have anyone else to add.
