

LETTER FROM THE PRESIDENT

June 2018

Mesa Host Members,

By the time you read this letter, I will be your Immediate Past President and Lion Dave Webster will be our new Club President. I want to thank our members that worked on the White Canes, Casino Night, and Football Pool fundraiser making them a success. Also to those that collected plastic bags, glasses, hearing aids, cell phones and school items for recycle. Thanks to Lion Beverly and cohort Roxine for working our Sight Program. Finally, to all who worked the community service project days.

For June, we collected and delivered 816 bottles of water, cases of paper plates, plastic eating utensils and drinking cups to the street kitchen. We also delivered 2088 pairs of glasses, 29 hearing aids, 16 cell phones and 300 cases to Sight and Hearing; 38 readers and 246 cases to the Vision Center.

Remember we are dark (no monthly meetings) now until 4 September. We will still be collecting water, glasses and plastic bags.

Have a safe summer and keep fellow Lions on your prayer list.
Thank you all again,

IPP Lion Bill
