

LETTER FROM THE PRESIDENT
November 2018

Mesa Host Lions,

Well we are starting our 6th month, & time is flying by. I was happy to see some of our Associate members back with us after not seeing them for some time. Russ and Jeannie are back, we talked about their 3-month trip to the east coast. PDG Terry Treppa and Maureen are here for a couple of weeks. We are 10 weeks into our football pool fundraiser. If you have not sold tickets to your neighbors and friends, let me know. We have a lot of winners that have not been sold.

Lion Beverly has two projects that she is working on. One is the Christmas families. I think she has the ten families. It is not a hard service project. You meet with your family at the store you or the family chooses. They shop and you buy them gifts for the kids. Her other project is the eyeglass program; she is finding kids to get them examined and glasses.

Our service project for this month is helping out "The Salvation Army" ring bells. I WANT to challenge a couple clubs to see which club can collect the most. We have won the past two years. We will beat the Thunderbirds again.

I want to wish everyone a very Merry Christmas and good wishes for 2019

President Bill
