

LETTER FROM THE PRESIDENT
February 2019

Mesa Host Lions,

The end of February is here!

Only 4 months for this Lions Year left. We do have a lot of things that we have to do.

- #1. We have to come up with a new Lions Fundraiser for next year. Come to the next meeting with some projects that you think we can plan and do.
- #2. We need new members going forward Remember all you have to do is just ask for someone to join, or to come to a meeting and see how we work with our community. We will show them our enthusiasm and get them excited to help.
- #3. I think that we need to continue doing service projects, but maybe a different one for nextyear.
- #4. New officers are needed. Think about stepping up and helping out. If asked I will do President again, but not for life that Lion Barbara tells us she will do. If you want to try and be an officer for 2019-2020, but you do not know what or how to do the office, we have training to show you how to do it.

Hope to see you next month.

Yours in Lionism

President Dave
