

LETTER FROM THE PRESIDENT

April 2019

### **From the Prez**

**First let me start by hoping everybody had a wonderful Easter and hope you found all your Easter Eggs. Please keep all our members that are fighting illnesses in your prayers.**

**I want to thank all our members for assisting in our fundraising this month. Lion Bill is working hard with all that he does for the club, the eye glasses collection, sorting, repairing and delivering. Lion Bill has it down to a science, "Thank You".**

**I want to mention our new member Lion Nancy. If you get a chance sit down with her and assist her in learning about what the Lions do. She has already worked a White Cane, and was a pro. She will be attending the upcoming MD 21 Convention. Hope to see other members there to share with her your experiences in Lions. Let Lion Barbara know if you plan on attending as the Club does pay for your registration and she must send in the form before May 1st. Convention is May 10-11th at the Hilton Phoenix in Mesa at 1011 W. Holmes Ave. (US 60 & Alma School).**

**Remember we will be going dark July 1st till September 1st.**

**Lion Dave, President**
