

## LETTER FROM THE PRESIDENT

May 2019

Mesa Host Lions,

Well we have only June left then we go dark (NO MEETINGS FOR JULY AND AUGUST.

We have been busy doing our projects, which includes our White Cane and our service projects which includes Helen's Hope Chest.

Today Lion Barb and I met with the Thunderbird Lions Club committee about having a casino fundraiser in January 2020. We will talk about this at the upcoming meeting. I liked what they had brought to us.

Please remember to continue collecting things that we donate to other people and projects, like water, treasure for teachers and bags. More importantly stuff that we put into bags for homeless people such as shampoo, deodorant, toothpaste and brushes.

We will have a great June with your help. Please remember to think about we can do to assist our community and the people in need.

President Bill
